INDEX TO BRITISH COLUMBIA MEDICAL JOURNAL VOLUME 54—JANUARY–DECEMBER 2012

Index includes the title of the article. Asterisk (*) indicates a clinical review article. Back Page (bp), BC Centre for Disease Control (cdc), Editorials (ed), correspondence (c), Council on Health Promotion (cohp), opinions (op), General Practice Services Committee (gpsc), The Good Doctor (gd), In Memoriam (im), Library of the College of Physicians & Surgeons of British Columbia (lib), Medical student column (md2b), Physician Information Technology Office (pito), Pulsimeter (pu), Special Feature (sf), Specialist Services Committee (ssc), and WorkSafeBC (wsbc) items are noted by abbreviations. Location of article is by issue number followed by beginning page number.

- Albrecht JE:** Dr Eugene Bruce Steinson (im) 7:351
- Alsahafi M:** A quality improvement project to enhance the management of hyperkalemia in hospitalized patients* 1:29
- Al-Sarraf A:** Dr D.S. Fredrickson: Founding father of the field of lipidology* 7:336
- Anawati A:** Distributed education in BC (c) 7:326
- Ancill R:** Courts plugged with ICBC cases (c) 5:226
- Arseneau R:** Chronic levamisole-induced vasculitis: A case report* 6:302
- Asche GA:** Too close to the sun (sf) 7:354
- Barn P:** Radon: Informing your patients about home screening and exposure reduction as cancer prevention (cdc) 4:174
- Bates AT:** Health-supplement-exacerbated psychosis in Vancouver's Downtown Eastside—not seeing the ephedra for the crystal meth: A case report* 9:465
- Bebb RA:** Dr Bebb responds (c) 1:14
- Braid S:** New BCMA term life insurance: Lower premiums, more flexibility (pu) 4:192
- Brotto LA:** Provoked vestibulodynia: A qualitative exploration of women's experiences* 1:22
- Brown R:** Provincial clinical practice guidelines for the management of major burn trauma* 9:456
- Brown S:** Workplace hearing loss (wsbc) 4:175
- Brubacher JR:** Alcohol-related traffic fatalities declining (cohp) 2:90
- Busser J:** BCMA: Term limits and more? (c) 3:121; CMA annual meeting concludes in Yellowknife (c) 8:381
- Buxton JA:** Increasing access to naloxone in BC to reduce opioid overdose deaths (cdc) 5:231; Guest editorial: The health of incarcerated women in BC* 10:500
- Collaborative community-prison programs for incarcerated women in BC* 10:509
- Cadenhead K:** Shifting the focus to health, not weight: First, do no harm (cohp) 3:144; Healthy eating and nutrition: Patient education resources for BC physicians (cohp) 9:468
- Caldwell L:** Complete survey to win hotel stay (pu) 5:252
- Campin C:** Re: Accurate measurement of blood pressure (c) 10:491
- Carr D:** Treatment and reporting of Lyme disease among physicians in British Columbia (cdc) 3:150
- Carter CJ:** Toward better utilization of laboratory resources: The impact of a mandatory 4Ts pretest clinical assessment form on the diagnosis of heparin-induced thrombocytopenia* 5:244
- Cavers B:** Prescribing second-generation antipsychotic medications: Practice guidelines for general practitioners* 2:75
- Chapman DB:** How does one retire? (ed) 3:118; Holiday customs: Making light of our differences (ed) 10:490
- Chipperfield KM:** Introduction of guidelines for the use of albumin and the effect on albumin prescribing practices in British Columbia* 1:34; Toward better utilization of laboratory resources: The impact of a mandatory 4Ts pretest clinical assessment form on the diagnosis of heparin-induced thrombocytopenia* 5:244
- Christie D:** Re: InspireHealth (c) 2:64
- Cimolai N:** A medical practice audit: Do patients request antibiotic treatment for common respiratory infections? 2:70
- Clarke AI:** CME: Making it real (ed) 4:166; Re: Speaking out for patients (c) 6:276; Book reviews: *AIDS at 30* (pu) 7:329
- Clelland C:** Advance care planning (gpsc) 2:88; Proust questionnaire: Cathy Clelland, MD (bp) 2:110
- Cole D:** Re: BC Health Authorities Pharmacy and Therapeutics Committee (c) 10:492
- Condello L:** Collaborative community-prison programs for incarcerated women in BC* 10:509
- Cook VJ:** TB in foreign-born patients (cdc) 8:387
- Coupland R:** Toward better utilization of laboratory resources: The impact of a mandatory 4Ts pretest clinical assessment form on the diagnosis of heparin-induced thrombocytopenia* 5:244
- Coy P:** Preventing tobacco use: Still an issue (c) 6:275
- Creighton D:** Vitamin D: New D-fence against cardiovascular disease? 3:136
- Dahl M:** Proust questionnaire: Marshall Dahl, MD (bp) 6:314
- Dalal B:** Toward better utilization of laboratory resources: The impact of a mandatory 4Ts pretest clinical assessment form on the diagnosis of heparin-induced thrombocytopenia* 5:244
- Davidson J:** Prescribing second-generation antipsychotic medications: Practice guidelines for general practitioners* 2:75
- Dawes M:** Measurement of blood pressure: New developments and challenges* 8:399; Blood pressure: Authors respond (c) 10:492
- Dawson M:** A critique of the Breast Cancer Prevention and Risk Assessment Clinic: The authors respond (op) 8:415
- Day B:** Dr Day replies (c) 1:11; Politicians: If you can't beat them, join them (ed) 5:222
- de Couto J:** Re: Quality of death (c) 8:382
- Dehghan N:** A quality improvement project to enhance the management of hyperkalemia in hospitalized patients* 1:29
- DeMarco TJ:** New health promotion idea: Discourage car travel (c) 8:383
- Dhingra V:** Provincial clinical practice guidelines for the management of major burn trauma* 9:456
- Dian L:** Re: Second-generation antipsychotic medications (c) 4:169; Drs Fok and Dian respond (c) 6:277
- Draper J:** A conversation with Allan Seckel, CEO of the BCMA (sf) 1:19; BCMA Annual Meeting 2012 (sf) 6:283; Shelley Ross: BCMA President 2012–13 (sf) 7:330
- Dunn C:** New findings for the treatment of chronic, nonspecific low back pain (wsbc) 1:39; Recovery from hernia repair (wsbc) 2:94; Low-dose CT scan screening available for workers with asbestosis (wsbc) 10:495
- Dutchyn SL:** Proust questionnaire: Shannon Lee Dutchyn, MD (bp) 9:482
- Elliott C:** Health impacts of wildfires: Improving science and informing timely, effective emergency response (cdc) 10:498
- Elwood Martin R:** Guest editorial: The health of incarcerated women in BC* 10:500–501; Collaborative community-prison programs for incarcerated women in BC* 10:509
- Elwood RK:** Dr Peter J. Middleton (im) 6:290
- Eustace L:** Federal government cuts to NAHO funding (c) 5:228
- Evoy B:** Fraser Health and Divisions of Family Practice introduce team approach to home health (gpsc) 5:254; Divisions of Family Practice and Shared Care Committee: Working together for healthier communities (gpsc) 9:470
- Farquhar A:** Re: Focus on health, not weight (c) 5:229
- Feder D:** Collaborative community-prison programs for incarcerated women in BC* 10:509
- Finlayson G:** Provincial clinical practice guidelines for the management of major burn trauma* 9:456
- Florkowski D:** Physiotherapy and massage for injured workers: Who gets covered? (wsbc) 8:389; Beyond physiotherapy and massage:

- Intensive rehab for injured workers (wsbc) 9:454
- Fok M:** Re: Second-generation antipsychotic medications (c) 4:169; Drs Fok and Dian respond (c) 6:277
- Forbes J:** Timing of return to work after hernia repair: Recommendations based on a literature review* 7:341
- Francis G:** Vitamin D: New D-fence against cardiovascular disease?* 3:136
- Fraser GC:** Dr Phillip Godfrey Ashmore (im) 3:148; Proust questionnaire: Graham C. Fraser, MBChB, FRCS (bp) 3:158
- Frayne A:** Population-based funding: A better primary care option? (op) 5:250
- Friesen J:** Surprise finding: A biological airbag (wsbc) 7:328
- Fritz B:** Proust questionnaire: Brad Fritz, MD (bp) 5:266
- Frohlich J:** Commonplace to condemned: The discovery that tobacco kills, and how Richard Doll shaped modern smoking cessation practices* 4:183; Dr D.S. Fredrickson: Founding father of the field of lipidology* 7:336
- Fry N:** Timing of return to work after hernia repair: Recommendations based on a literature review* 7:341
- Gallagher R:** Quality of death (cohp) 6:292
- Gareau P:** Dr George Scott Wallace (im) 1:44
- Gatherer A:** Future directions for the health of incarcerated women in BC* 10:514
- Gelfer M:** Measurement of blood pressure: New developments and challenges* 8:399-403; Blood pressure: Authors respond (c) 10:492
- Gibson E:** Increasing access to naloxone in BC to reduce opioid overdose deaths (cdc) 5:231
- Gilbert M:** New guidelines for management of *N. gonorrhoeae* in the context of evolving susceptibility patterns (cdc) 2:67
- Gilbert S:** Medication reconciliation to improve patient safety (pu) 10:519
- Gotay C:** A critique of the Breast Cancer Prevention and Risk Assessment Clinic: The authors respond (op) 8:415
- Gough HM:** In-hospital post-op visits by surgeons and GPs (c) 8:383
- Granger-Brown A:** Collaborative community-prison programs for incarcerated women in BC* 10:509
- Greatheart M:** Re: So you want to be a doctor? (c) 1:11
- Gregory S:** Provincial clinical practice guidelines for the management of major burn trauma* 9:456
- Griesdale D:** Provincial clinical practice guidelines for the management of major burn trauma* 9:456
- Gunn H:** Re: Cash-strapped BC government (c) 3:121; InspireHealth: Engaging cancer patients in health (op) 5:238
- Haboosheh R:** Workplace hearing loss (wsbc) 4:175
- Haigh SE:** Injudicious use of thyroid hormone (ed) 2:62; Book reviews: *The Osteoporosis Book* (pu) 7:329; *Live the dream* (ed) 9:446
- Hancock RJ:** Dr Ronald J. Hancock (im) 3:148
- Harder D:** Dr Larry Fenton (im) 6:290
- Hawley P:** Methadone for pain in palliative care* 6:298
- Haynes S:** Praise for December *BCMJ* (c) 2:65; Stew (gd) 6:288; Tobacco smoke enemas (sf) 10:496
- Henderson C:** Dr James Benson Dukelow (im) 9:453
- Henderson SB:** Health impacts of wildfires: Improving science and informing timely, effective emergency response (cdc) 10:498
- Henry B:** Treatment and reporting of Lyme disease among physicians in British Columbia (cdc) 3:150
- Hikida L:** Low-dose CT scan screening available for workers with asbestosis (wsbc) 10:495
- Hislop TG:** Guest editorial: The health of incarcerated women in BC* 10:500-501; Collaborative community-prison programs for incarcerated women in BC* 10:509
- Ho K:** Emergency management of sepsis: The simple stuff saves lives* 4:176
- Horn M:** Prescribing second-generation antipsychotic medications: Practice guidelines for general practitioners* 2:75
- Hottes T:** New guidelines for management of *N. gonorrhoeae* in the context of evolving susceptibility patterns (cdc) 2:67
- Hudoba M:** Toward better utilization of laboratory resources: The impact of a mandatory 4Ts pretest clinical assessment form on the diagnosis of heparin-induced thrombocytopenia* 5:244
- Hwang H:** Emergency presentation of colorectal cancer at a regional hospital: An alarming trend* 2:83-87; Timing of return to work after hernia repair: Recommendations based on a literature review* 7:341
- Ignaszewski AI:** Vitamin D: New D-fence against cardiovascular disease?* 3:136-140; Commonplace to condemned: The discovery that tobacco kills, and how Richard Doll shaped modern smoking cessation practices* 4:183; Dr D.S. Fredrickson: Founding father of the field of lipidology* 7:336
- Imperial M:** New guidelines for management of *N. gonorrhoeae* in the context of evolving susceptibility patterns (cdc) 2:67
- Jetha N:** Reflecting on last year; looking forward with optimism (op) 1:10; Gender diversity: We're behind the eight ball (op) 2:63; Reputation: At once trivial and important (op) 3:120; Group conflicts: They are never far away (op) 4:173; Members have their say (op) 5:224
- Johnston J:** TB in foreign-born patients (cdc) 8:387
- Jones R:** Re: (Another) modest proposal (c) 1:11
- Juren AJ:** Commonplace to condemned: The discovery that tobacco kills, and how Richard Doll shaped modern smoking cessation practices* 4:183
- Kaczorowski J:** Measurement of blood pressure: New developments and challenges* 8:399; Blood pressure: Authors respond (c) 10:492
- Kallstrom L:** Tips for using Mental Health module tools and resources (gpsc) 3:141; New Practice Support Program module on child and youth mental health launches across BC (gpsc) 8:418
- Kaplan AD:** Medications can affect oral health (wsbc) 5:248
- Karimuddin AA:** Timing of return to work after hernia repair: Recommendations based on a literature review* 7:341
- Kazimirski M:** Re: Courts plugged with ICBC cases (c) 5:226
- Khan NA:** Blood pressure targets for hypertension: What's the evidence?* 8:404
- Kim H:** A quality improvement project to enhance the management of hyperkalemia in hospitalized patients* 1:29
- King W:** Introduction of guidelines for the use of albumin and the effect on albumin prescribing practices in British Columbia* 1:34
- Klopp A:** Art Days: Two medical students reflect on the value of cultural immersion and cultural safety (md2b) 3:126
- Kobayashi R:** Physiotherapy and massage for injured workers: Who gets covered? (wsbc) 8:389; Beyond physiotherapy and massage: Intensive rehab for injured workers (wsbc) 9:454
